

# Syvid Integration In Vidcuartorfx2

In order to integrate with Syvid in VidcuratorFx2 go through the following steps-

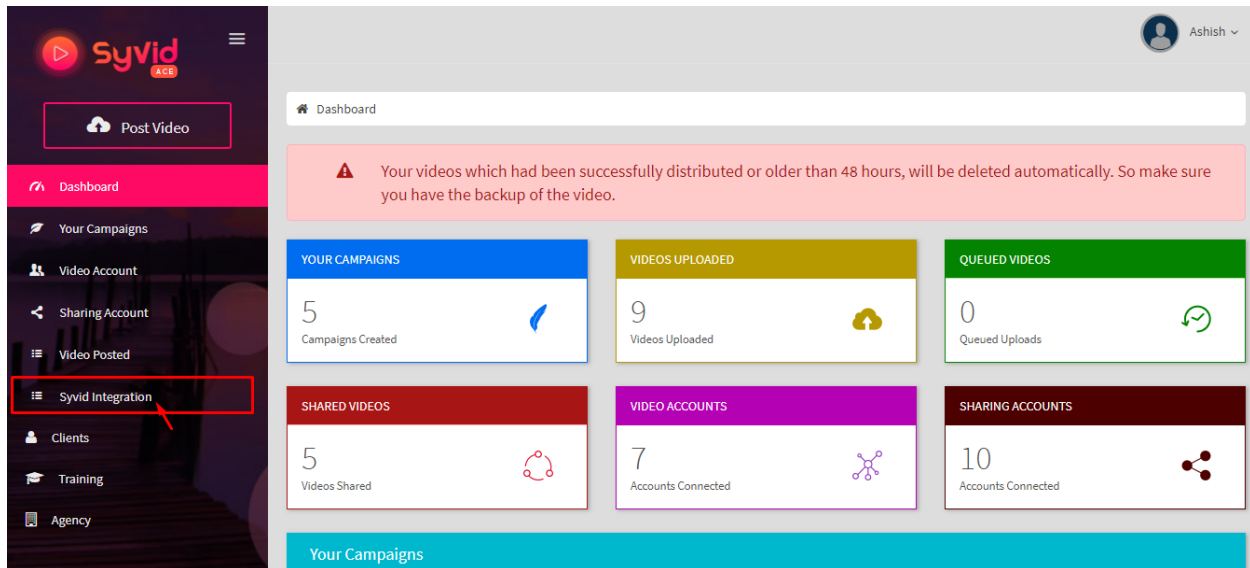

Step 1- To Integrate with Syvid enter this url in the address bar- [app.syvid.io](https://app.syvid.io) and login with your syvid credentials.

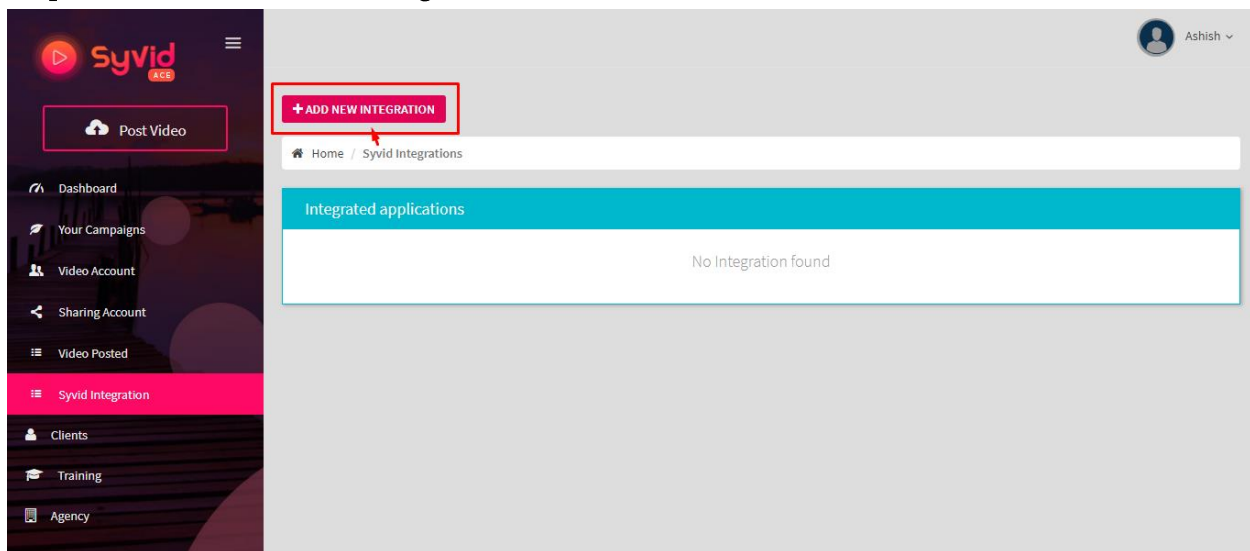

You will get this screen as your Dashboard

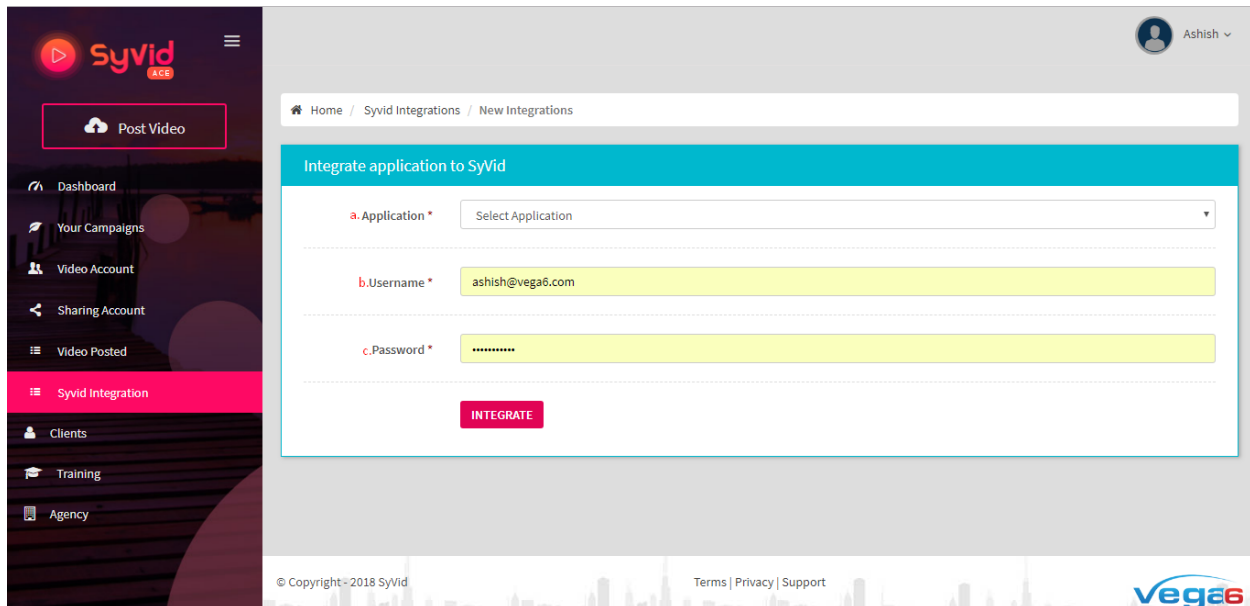

Step 2- Click on “Syvid Integration” tab present on the left side on dashboard

Step 3- Click on “Add new Integration” tab

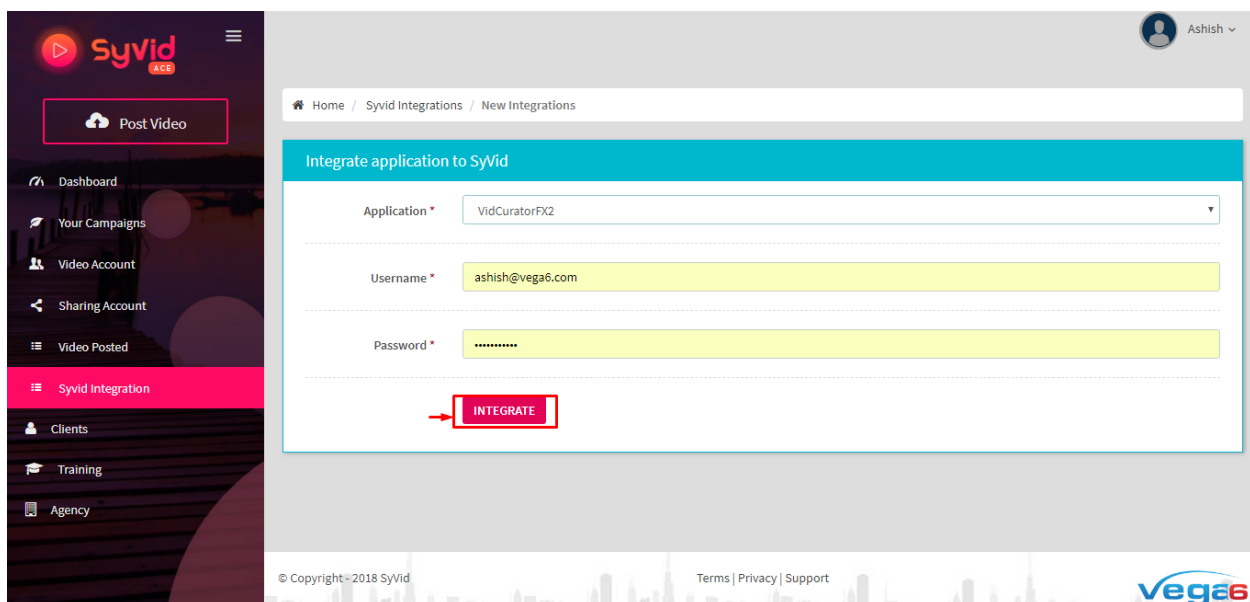

Step 4- Upon clicking on add new integration you will get the below page

The screenshot shows the SyVid dashboard on the left with a sidebar menu. The main content area is titled "Integrate application to SyVid" and contains a form with three fields: "a. Application" (a dropdown menu with "Select Application" selected), "b. Username" (a text input field containing "ashish@vega6.com"), and "c. Password" (a text input field with masked characters). A red "INTEGRATE" button is located below the form. The footer includes copyright information, links for Terms, Privacy, and Support, and the Vega6 logo.

- a. Application-You need to select **Vidcuratorfx2** from the drop down.
- b. Username-You need to enter application username.
- c. Password-You need to enter password

Step 5-Click on “Integrate” tab when you are done with selecting application and entering Username/Password

This screenshot is identical to the previous one, but the dropdown menu for the "Application" field now shows "VidCuratorFX2" selected. A red arrow points to the "INTEGRATE" button, indicating the next step in the process. The rest of the form and dashboard elements remain the same.

You will be notified upon Integration and you can check with integrated applications.

Step 6-To check your syvid integration click on navigation button present on the top right corner of your screen in vicuratorfx2

VIDEOS CREATED

Total monthly Syvid Pushes. **1** for the current year.

## Step 7-Click on Syvid Integration

The screenshot shows the VidCuratorFX dashboard. At the top, there is a navigation bar with the logo and the name 'Ashish'. Below the navigation bar, there are several status cards: '+ 7 Videos Campaigns' (teal), '↑ 0 Videos Rendering' (pink), '↓ 6 Videos Completed' (orange), and '↑ 1 Published' (green). A dropdown menu is open on the right side, listing various integration options: Super Admin, Client Accounts, Virtual Assistants, Syvid Integration (highlighted with a red box), Facebook Apps, Google Image Api, Profile, and Logout. Below the cards, there are two charts. The left chart is titled 'VIDEOS CREATED' and shows a single teal bar with a value of 6. The right chart is a line graph showing data points for Mar, Jun, Sep, and Dec, with a y-axis ranging from 0 to 1.0.

You can check Integration Status of your connected accounts

The screenshot shows the 'CONNECTED ACCOUNTS' section of the VidCuratorFX dashboard. It features a table with the following data:

Account	Integration Status	Created
Ashish	connected	Apr 5, 2018 6:17 AM
